ABOUT ME

Information Technologies student specializing in Back-End Development, with hands-on experience in building robust web applications and providing IT support. A proven team player adept at problem-solving and delivering efficient, scalable solutions.

WORK EXPERIENCE

STATE MARITIME AND PORT AGENCY – BAKU, AZERBAIJAN
GOVERMENT INTERNSHIP – 07/2025 – 09/2025

- Provided helpdesk support and diagnosed technical issues to improve IT operations.
- Contributed to full stack web development and enhanced user interface components.
- Gained practical experience in teamwork, troubleshooting, and client-focused solutions.

BAKCELL MOBILE – BAKU, AZERBAIJAN
Address   Heydar Aliyev International Airport, Baku, Azerbaijan

SALESPERSON – 04/2024 – 06/2025

- Communicated with customers in Azerbaijani, English, Russian, and Turkish to recommend products and facilitate sales.
- Managed activation, reloading, and new phone number services.
- Handled cash register operations and ensured accurate payment processing.
- Developed strong customer service and communication skills.

YENISEY – BAKU, AZERBAIJAN
GRAPHIC DESIGNER – 06/2020 – 09/2020

- Designed custom visual materials including advertisements, logos, CVs, and business cards using CorelDRAW.
- Collaborated with clients to meet design requirements.

PROJECTS

07/2025 – CURRENT
IT Asset Management System – DDLA (State Maritime and Port Agency)

- Developed and maintained modules for asset transfer, history tracking, inventory management, and user administration.
- Implemented key functionalities including transfer creation, recipient tracking, return workflows, and approval processes.
- Designed database schemas, wrote optimized SQL queries, and integrated with SQL Server using Entity Framework.
- Applied OOP principles and MVC architecture to ensure scalable, maintainable, and testable code.
- Contributed to debugging, performance optimization, and seamless integration with existing IT systems.
- Collaborated with team members to gather requirements, plan features, and implement solutions efficiently.
- Enhanced system usability and reliability, improving the internal IT asset tracking process for the agency.

EDUCATION AND TRAINING

09/2022 – 07/2026 Baku, Azerbaijan
BACHELOR'S DEGREE IN INFORMATION AND TELECOMMUNICATIONS TECHNOLOGIES Azerbaijan Technical University

Website https://aztu.edu.az/az

02/2023 – 12/2023 Baku, Azerbaijan
SOFTWARE DEVELOPMENT Code Academy

Website https://code.edu.az/

02/2025 – 07/2025 Baku, Azerbaijan
SOFTWARE DEVELOPMENT, SPECIALIZING IN BACK-END DEVELOPMENT CodeForFuture

04/2025 – 04/2025 Baku, Azerbaijan
ARTIFICIAL INTELLIGENCE ESSENTIALS V2 IBM

04/2025 – 04/2025 Baku, Azerbaijan
INTRODUCTION TO PROGRAMMING WITH C# Microsoft

LANGUAGE SKILLS

Mother tongue(s): **AZERBAIJANI** | **TURKISH**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	B2	B2	B2	B2
RUSSIAN	B2	B1	A2	A2	B1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

Technical Skills

Programming Languages: C#, Visual Basic.NET | Frameworks & Technologies: .NET Core, .NET Framework, MVC | Software Development: Object-Oriented Programming (OOP), Software Design Patterns, Debugging | Databases: SQL, Database Management Systems | Tools: Visual Studio, Command-Line Interface (CLI) | Web Technologies: HTML, CSS, JavaScript | Version Control: Git / GitHub | Algorithms and Data Structures | Operating Systems / Networking

Soft Skills

Leadership | Critical Thinking | Emotional Intelligence | Teamwork and Collaboration | Adaptability / Flexibility | Problem Solving

Additional Skills & Interests

Competitive Judoka (National Level) | Chess Player – Achieved Third Degree Title | Analytical thinker with strong pattern recognition from Rubik's Cube practice. | Analytical Thinking | Team Management / Event Coordination

VOLUNTEERING

09/2025 – 09/2025 Baku
Formula 1 Baku Grand Prix

- Access Control Team Member
- Managed ticket scanning and access control at event entrances
- Ensured smooth and secure entry for spectators
- Assisted attendees with questions regarding seating and event access
- Maintained safety and compliance with event regulations

08/2025 – 09/2025 Baku
ICPC 2025 World Finals

- Monitored and coordinated transportation logistics for participants and visitors
- Assisted at the Find & Found desk
- Expo Center to ensure smooth transport operations
- Supported event staff in managing shuttle services and transport schedules
- Ensured timely and organized movement of attendees between venues

08/2025 – 11/2025 Suraxanı Ship Museum, Baku, Azerbaijan
Tour Guide

- Provided guidance to visitors and introduced museum exhibits
- Assisted in delivering historical and cultural information about expositions
- Supported overall visitor engagement and museum activities

07/2025 – 07/2025 Shamaxi
Yay Fest

- Adapted to challenging conditions, collaborated with peers, and enhanced problem-solving skills under pressure.

06/2025 – 07/2025 Baku
Kapital Bank

- Assisted clients with inquiries and promoted digital solutions.
- Developed communication, crowd management, and critical thinking skills.

02/2024 – 02/2024 Baku
Azerbaijan Judo Federation

The Ministry of Science and Education

- Selected winner of the 3rd "Education and Innovations" Grant Competition.
- Participated in the 4-day "Discover Your Potential" project focusing on leadership, innovation, and teamwork through interactive workshops.

CERTIFICATIONS

02/2023 – 12/2023
Software Development | Code Academy| Diploma

- Completed a comprehensive software development course covering C#, .NET, HTML, CSS, JavaScript, and SQL.
- Gained hands-on experience in building web applications and implementing object-oriented programming principles.
- Completed multiple practical projects to strengthen coding and problem-solving skills.

02/2025 – 07/2025
Software Development, Specializing in Back-End Development | CodeForFuture | Certificate

- Completed a specialized back-end development program focusing on C#, .NET Core, MVC, and SQL.
- Gained practical experience in designing and implementing server-side applications and APIs.
- Worked on real-world projects to enhance problem-solving and back-end development skills.

04/2025 – 05/2025
Artificial Intelligence Essentials v2 | IBM| Certificate

- Completed an introductory course on artificial intelligence concepts and applications.
- Learned fundamentals of machine learning, neural networks, and AI-driven solutions.
- Gained practical experience with AI tools and basic model implementation.
